Arizona Corporation Commission

DOCKETED

JUL 08 2014

DOCKETED BY

16 IN THE MATTER OF THE APPLICATION  
17 OF ARIZONA PUBLIC SERVICE COMPANY  
18 FOR A RULING RELATING TO ITS 2015  
19 DEMAND SIDE MANAGEMENT  
20 IMPLEMENTATION PLAN.

DOCKET NO. E-01345A-12-0224

**REQUEST FOR RULING ON  
FREEPORT MCMORAN COPPER  
& GOLD, INC.'S REQUEST FOR  
AN EXEMPTION FROM A.A.C.  
R14-2-2401, ET. SEQ. (ENERGY  
EFFICIENCY STANDARD)**

23 In Arizona Corporation Commission ("Commission") Decision No. 74406 (March 19,  
24 2014), the Commission ordered that:

25 Arizona Public Service's 2013 DSM Plan as modified and specified herein  
26 shall apply in 2014 and remain in effect until further order of the Commission.

27 Therefore, Arizona Public Service Company ("APS") did not file a 2015 DSM  
28 Implementation Plan on June 1, 2014. Consistent with the Commission's Decision, as well as

1 A.A.C. R14-2-2405(E), APS intends to continue its approved Demand Side Management  
2 ("DSM") programs (as approved in Commission Decision No. 74406) in 2015.

3 However, APS anticipates it may need to file an application later this year to modify  
4 its existing currently approved plan or budget to meet compliance in 2015, or adapt to other  
5 regulatory changes that may arise from other proceedings. In that regard, APS's largest  
6 customer, Freeport-McMoRan Copper & Gold, Inc., ("Freeport") has submitted a Request for  
7 an Exemption ("Request") from A.A.C. R14-2-2401, *et. seq.*, in Docket No. E-01345A-13-  
8 0109 requesting that the Commission exempt Freeport from paying the authorized Demand  
9 Side Management Adjustment Charge effective January 1, 2015.<sup>1</sup> A Commission  
10 determination on Freeport's Request could impact APS's DSM goal and budget for 2015.

11 Therefore, APS respectfully requests that this docket be opened for the purpose of  
12 considering, Freeport's Request in a timely manner and for consideration of APS's request for  
13 any necessary modifications to its existing approved plan or budget to meet compliance in  
14 2015.

15 RESPECTFULLY SUBMITTED this 8th day of July 2014.

25 //

26 //

27 \_\_\_\_\_  
28 <sup>1</sup> Freeport's consumption of energy would likewise be excluded from APS sales for purposes of determining  
compliance with the Commission's Energy Efficiency Rules.
